

2nd International Conference
**on Governance, Crime
and Justice Statistics 2014**

Marco Mira d'Ercole

Head of the Division for Household Statistics and Progress Measurement in the Statistics Directorate of the OECD. He has worked on measures of well-being, income distribution and various aspects of social policies. He has been one of the "rapporteurs" of the Commission on the Measurement of Economic Performance and Social Progress established by President Sarkozy in early 2008 and one of the contributors of the 2011 Canberra Group Handbook on Household Income Statistics. Since joining the OECD he has worked in the Directorate for Employment, Labour and Social Affairs, in the Economics Department and in the Private Office of the OECD Secretary General, as well as spending two years at the International Monetary Fund. He holds a degree in Economics from the University of Modena and a M.Phil from Oxford University.
