

Jane Mounteney

Dr Jane Mounteney has been working in drug research, policy and practice since 1994, in the United Kingdom, Norway and since 2010 at the European level.

In her current position at the Lisbon based European Monitoring Centre for Drugs and Drug Addiction (EMCDDA), Jane is Head of sector for content coordination and trend analysis. She is lead author responsible for the annual European Drug Report and has a special interest and number of responsibilities in the area of surveillance and emerging drug trends.

In the past, Jane has worked as a researcher and director at the UK-based Institute for the Study of Drug Dependence, and as a consultant at the Bergen Clinics Foundation in Norway. She has two masters degrees (in management & social work) and a public health PhD, focusing on methods for earlier warning of new drug trends.
