

2nd International Conference
**on Governance, Crime
and Justice Statistics 2014**

Beau Kilmer

Beau Kilmer is a senior policy researcher at the RAND Corporation, where he codirects the RAND Drug Policy Research Center. His research lies at the intersection of public health and public safety, with a special emphasis on substance use, illicit markets, crime, and public policy. His articles have appeared in leading journals including *Addiction*, *American Journal of Public Health*, *Proceedings of the National Academy of Sciences*, and his essays have been published by the BBC, CNN, Los Angeles Times, New York Times, USA Today, and Wall Street Journal. His co-authored book, *Marijuana Legalization*, was published by Oxford University Press in 2012 (marijuanalegalization.info). Beau earned his BA from Michigan State University, MPP from UC Berkeley, and PhD from Harvard University.
